

Lull Telehandler Part

Lull Telehandler Parts - Telehandlers by Lull have been providing load placement precision ever since the year 1959. The Lull telehandler could help make the work faster and easier, whether the task requires landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system supplies eighty inches of boom travel for precision placement capabilities. Various optional accessories is obtainable for Lull telehandlers to help finish whichever work.
